

GREEN BAR

BOTANICALS & TONICS

The Green Bar celebrates the diverse history of the location and Café Royal's history, taking inspiration from the Café Royal cocktail book created in 1937 and used by London's leading barmen since.

The menu features Botanicals and Tonics alongside Absinthe and classic cocktail concoctions and a selection of light lunch dishes and small plates.

The Botanicals and Tonics are the signature cocktails of the Green Bar where our expert bartenders can mix up your favoured G&T from a handpicked selection of gins, accompanied by the finest tonics and accompaniments to match any taste.

The perfect destination for those from east and west, the Green Bar at Hotel Café Royal is a unique addition to London.

In accordance with the weights and measures act, the measure for the sale of gin, vodka and whiskey in these premises is 50ml or multiples thereof.

Sweet wines, Port wines, and sherries are sold by the glass at 100ml as standard. All wines by the glass are available in 125ml.
