HERBAL INFUSIONS (CAFFEINE FREE) £4

English Camomile

Tregothnan Estate, Cornwall, UK

Grown in a botanical garden on the Tregothnan Estate in Cornwall, these flowers are tenderly picked with delicate blossoms and long stems, which add hay flavours.

English Peppermint

Tregothnan Estate, Cornwall, UK

A rare English peppermint grown in Cornwall in the 14th century family-run estate. Counter-intuitively, the menthol oils infuse more easily from the dried leaf, giving a brighter, cleaner flavour than fresh mint.

Lemon Verbena

Provence, France

Aloysia citrodora or lemon verbena is originally from South America. It was brought to Europe by the Spanish in the 17th Century. A pure herb with a mellow lemon flavour, it makes a wonderful digestive.

Wild Rooibos

Cederberg Mountains, South Africa

The real South African Red Bush. A richly delicious infusion with deep earthy notes, bright red berries and cedar. Can be beautifully enhanced by the addition of honey or maple syrup and a twist of lemon zest.

Sri Lankan Lemongrass

Amba Estate, Ravanna Falls

This uniquely complex and full-bodied lemongrass is grown on a remote mountain tea garden above the Ravanna Falls, Sri Lanka. A rich and exceptionally bright herbal infusion with grassy notes of cut hay and lemon drops.

ABOUT RARE TEA COMPANY

Rare Tea Company is a small, independent company based in London founded in 2004 by Henrietta Lovell to source and supply the world's best tea. They travel the world to seek out tea-gardens and farmers crafting the most delicious leaves that can be found. Some of their tea is very rare, with only a few kilos produced each year. Others can be grown on a larger scale. All of them are crafted by skilled men and women on independent farms, not industrially processed by large agri-businesses.
